Cisco Networking Academy Program

Jenk Stephenson William S. Hart USD/Region 1B c/o Saugus High School 21900 Centurion Way
Saugus, California United States, 91350

Dear Jenk Stephenson,

On behalf of the entire Cisco Worldwide Education team, I'd like to congratulate you on completing all proficiency requirements of the CCNA bridge content! Your accomplishment underscores your commitment to strengthening the overall quality of the Cisco Networking Academy Program but more importantly, it shows your dedication to the ultimate success of students in your classroom. Cisco appreciates and applauds your efforts.

Our records indicate that you have completed the following proficiency requirements:

Course	Version 3.x Proficiency
CCNA 1	Proficient
CCNA 2	Proficient
CCNA 3	Proficient
CCNA 4	Proficient

Thank you for utilizing your time and talents to promote excellence in IT education. If you have any suggestions on how we may continue to strengthen the Cisco Networking Academy Program, please send your comments to us through one of our following online support Web sites:

English Online Support Desk: netacad.custhelp.com Soporte en Espanol: netacad-espanol.custhelp.com Suporte on line para Academias: netacad-portugues.custhelp.com
Program Support in AsiaPac Languages: netacad.custhelp.com

Best Wishes for Continued Success,

Gene Longo Senior Manager, US Field Operations
