--------------------------------------	----

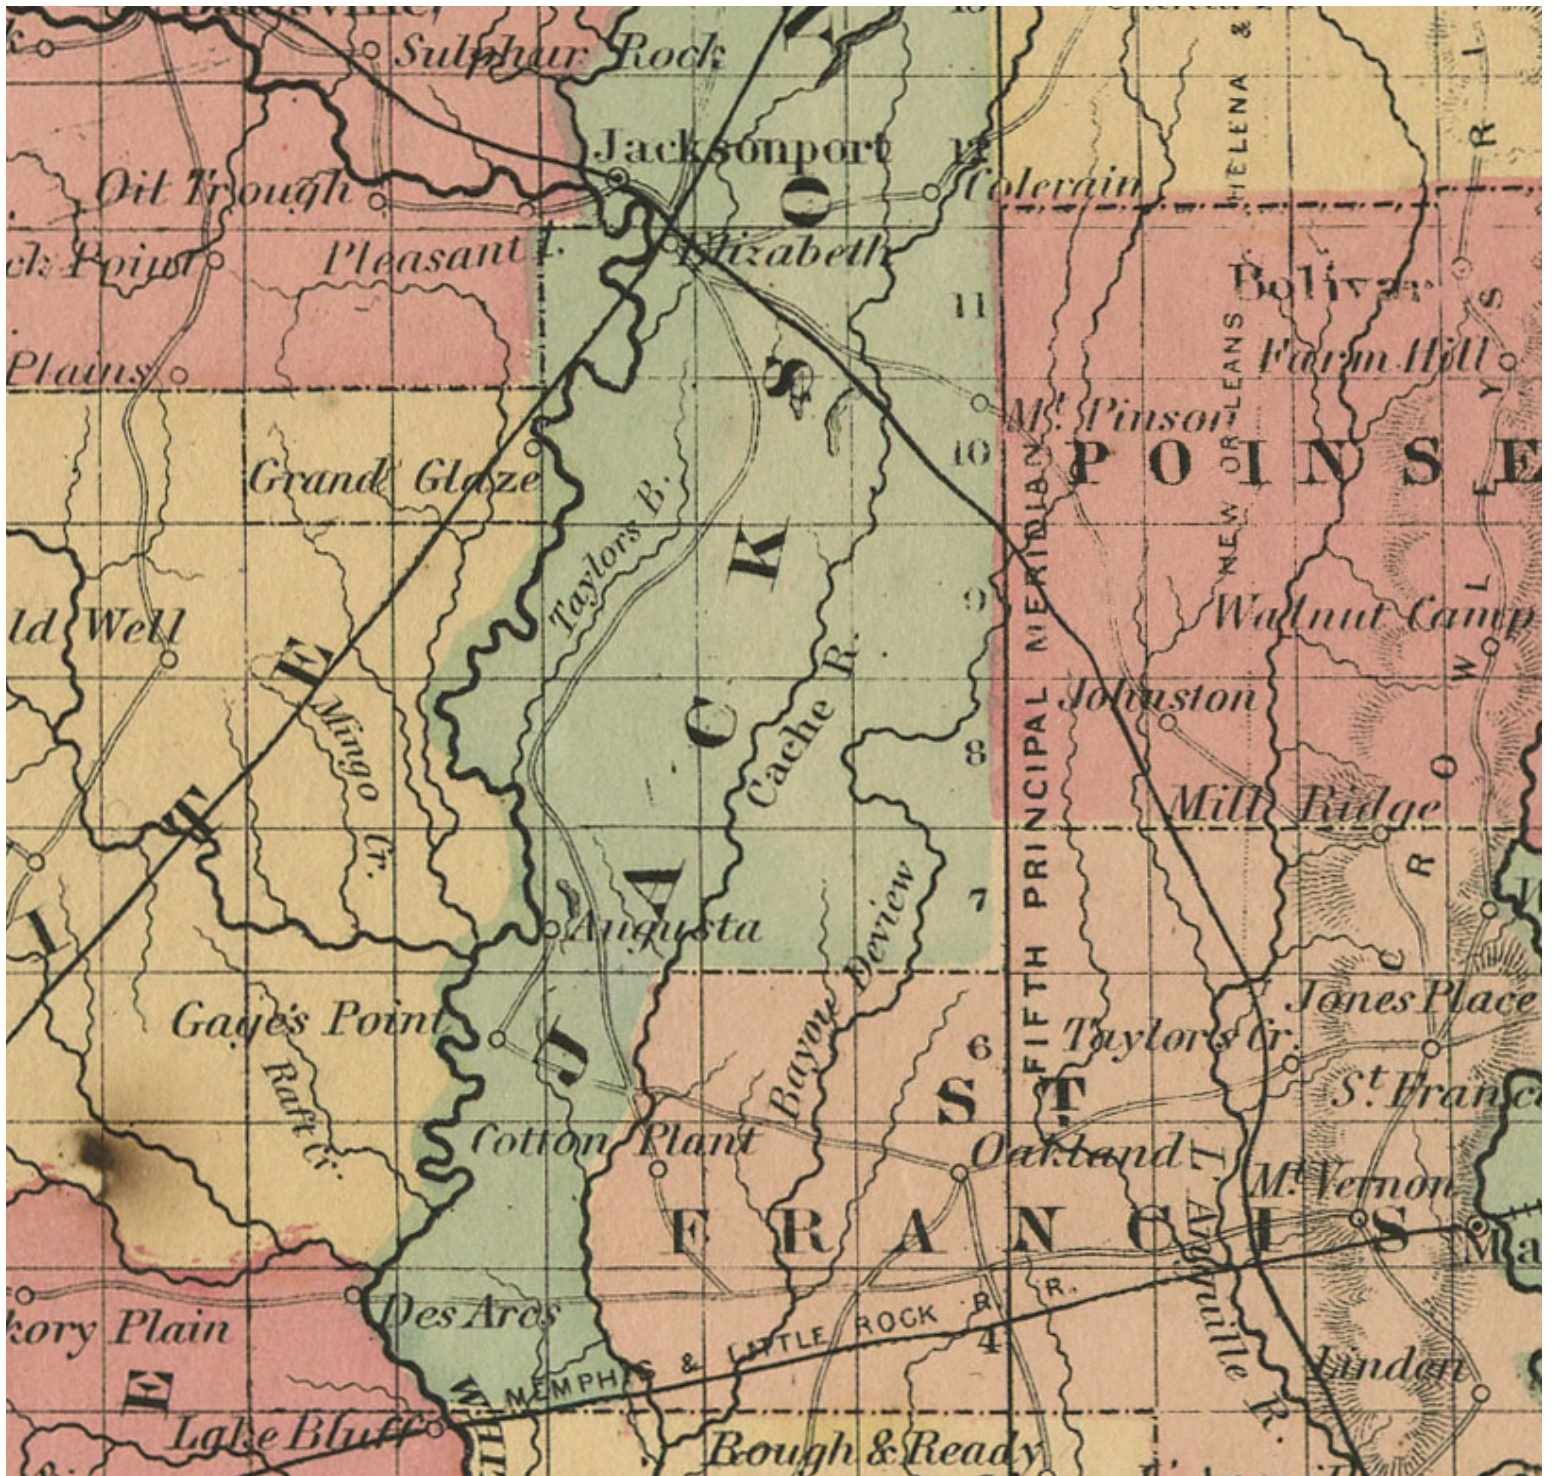

Portion of a rare 1855 Arkansas map  
by J. H. Colton & Co., New York.

This map shows Woodruff County seven years before the county was created mostly from the southern portion of Jackson County. A more detailed view of this portion is on the following page.

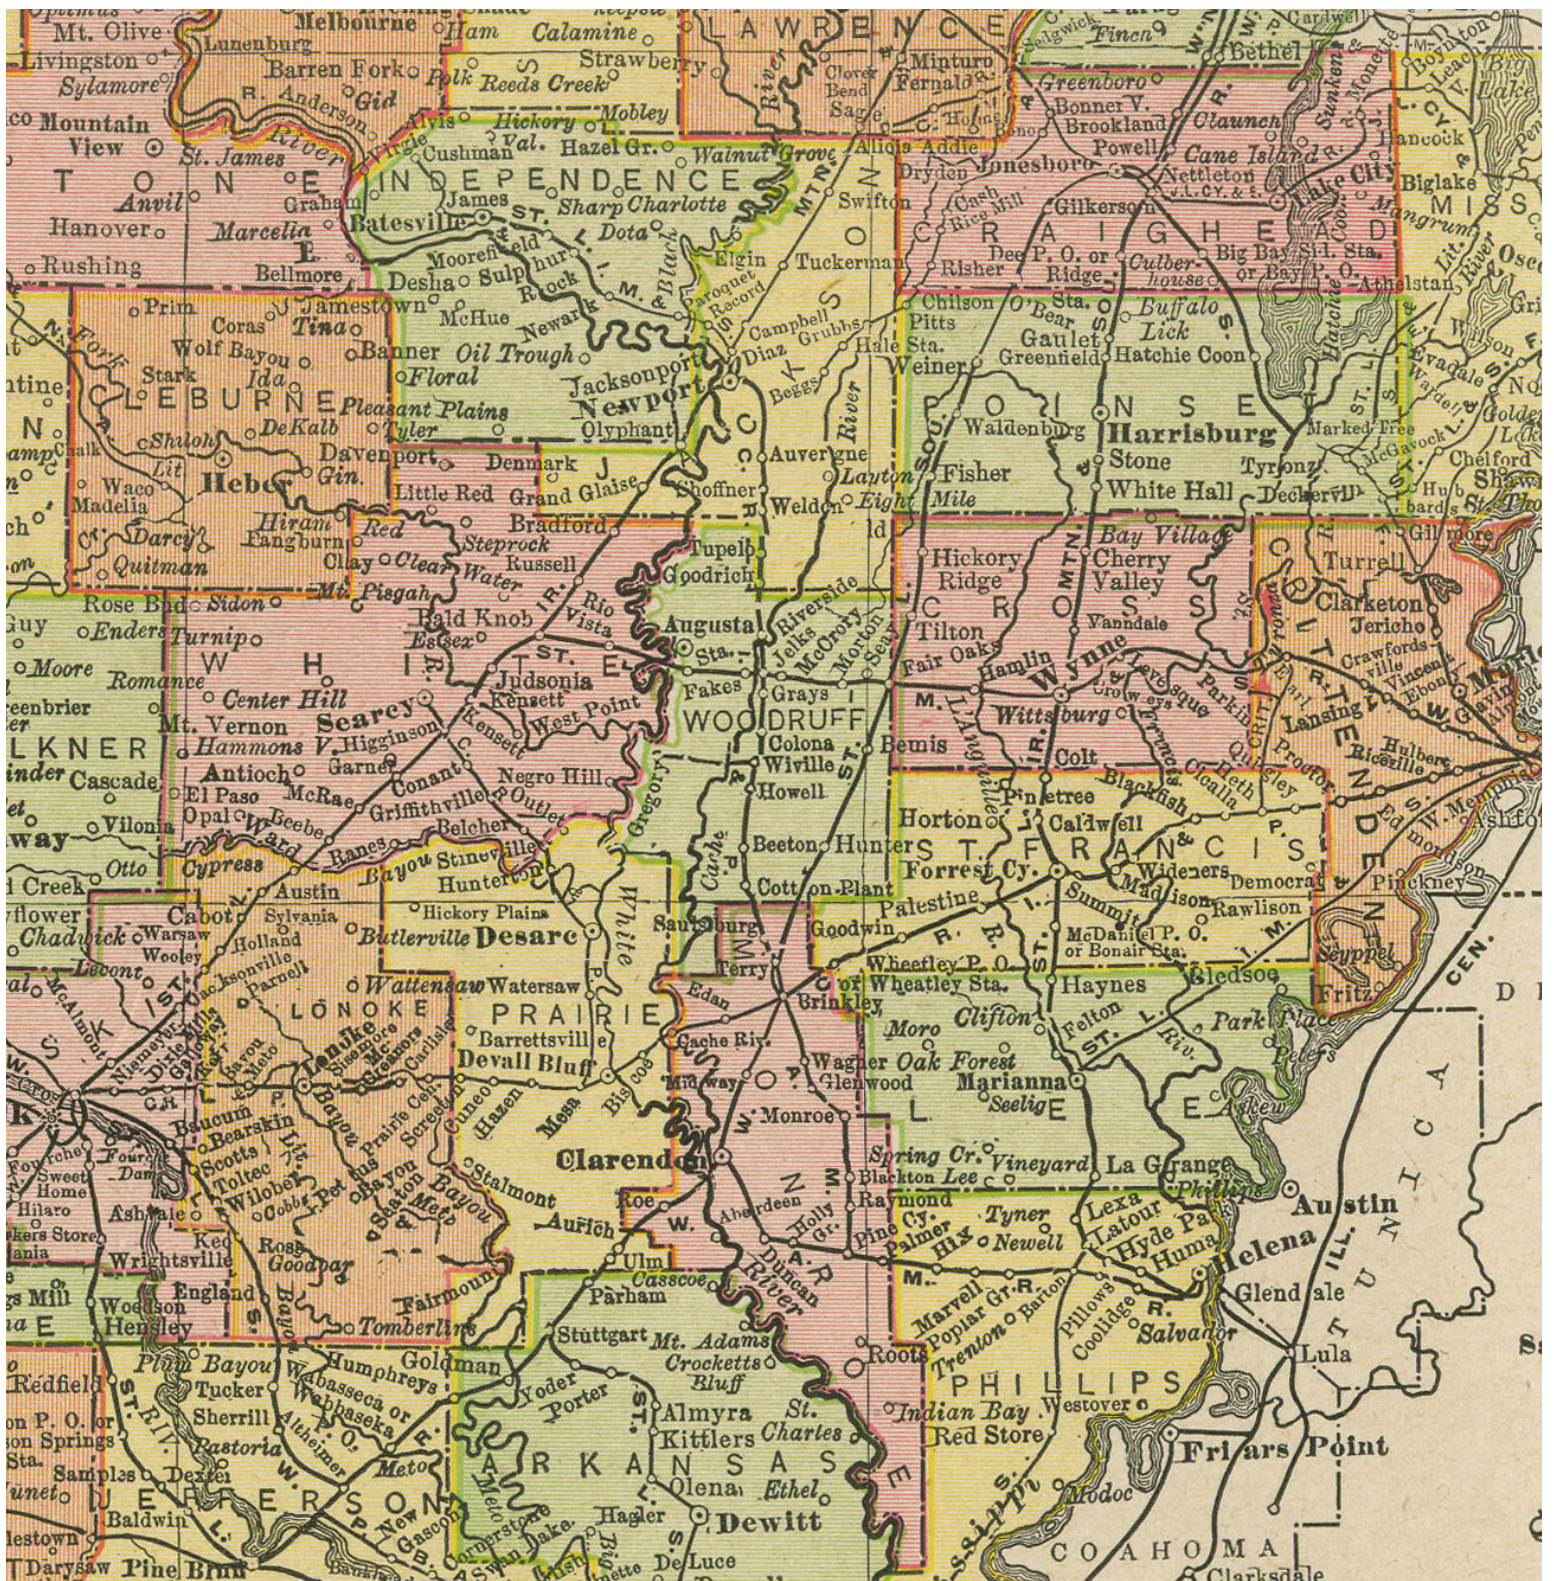

Portion of a rare 1855 Arkansas map by J. H. Colton & Co., New York.

This is a more detailed view of the map on the previous page. An enlarged view of this portion is shown on the next page.

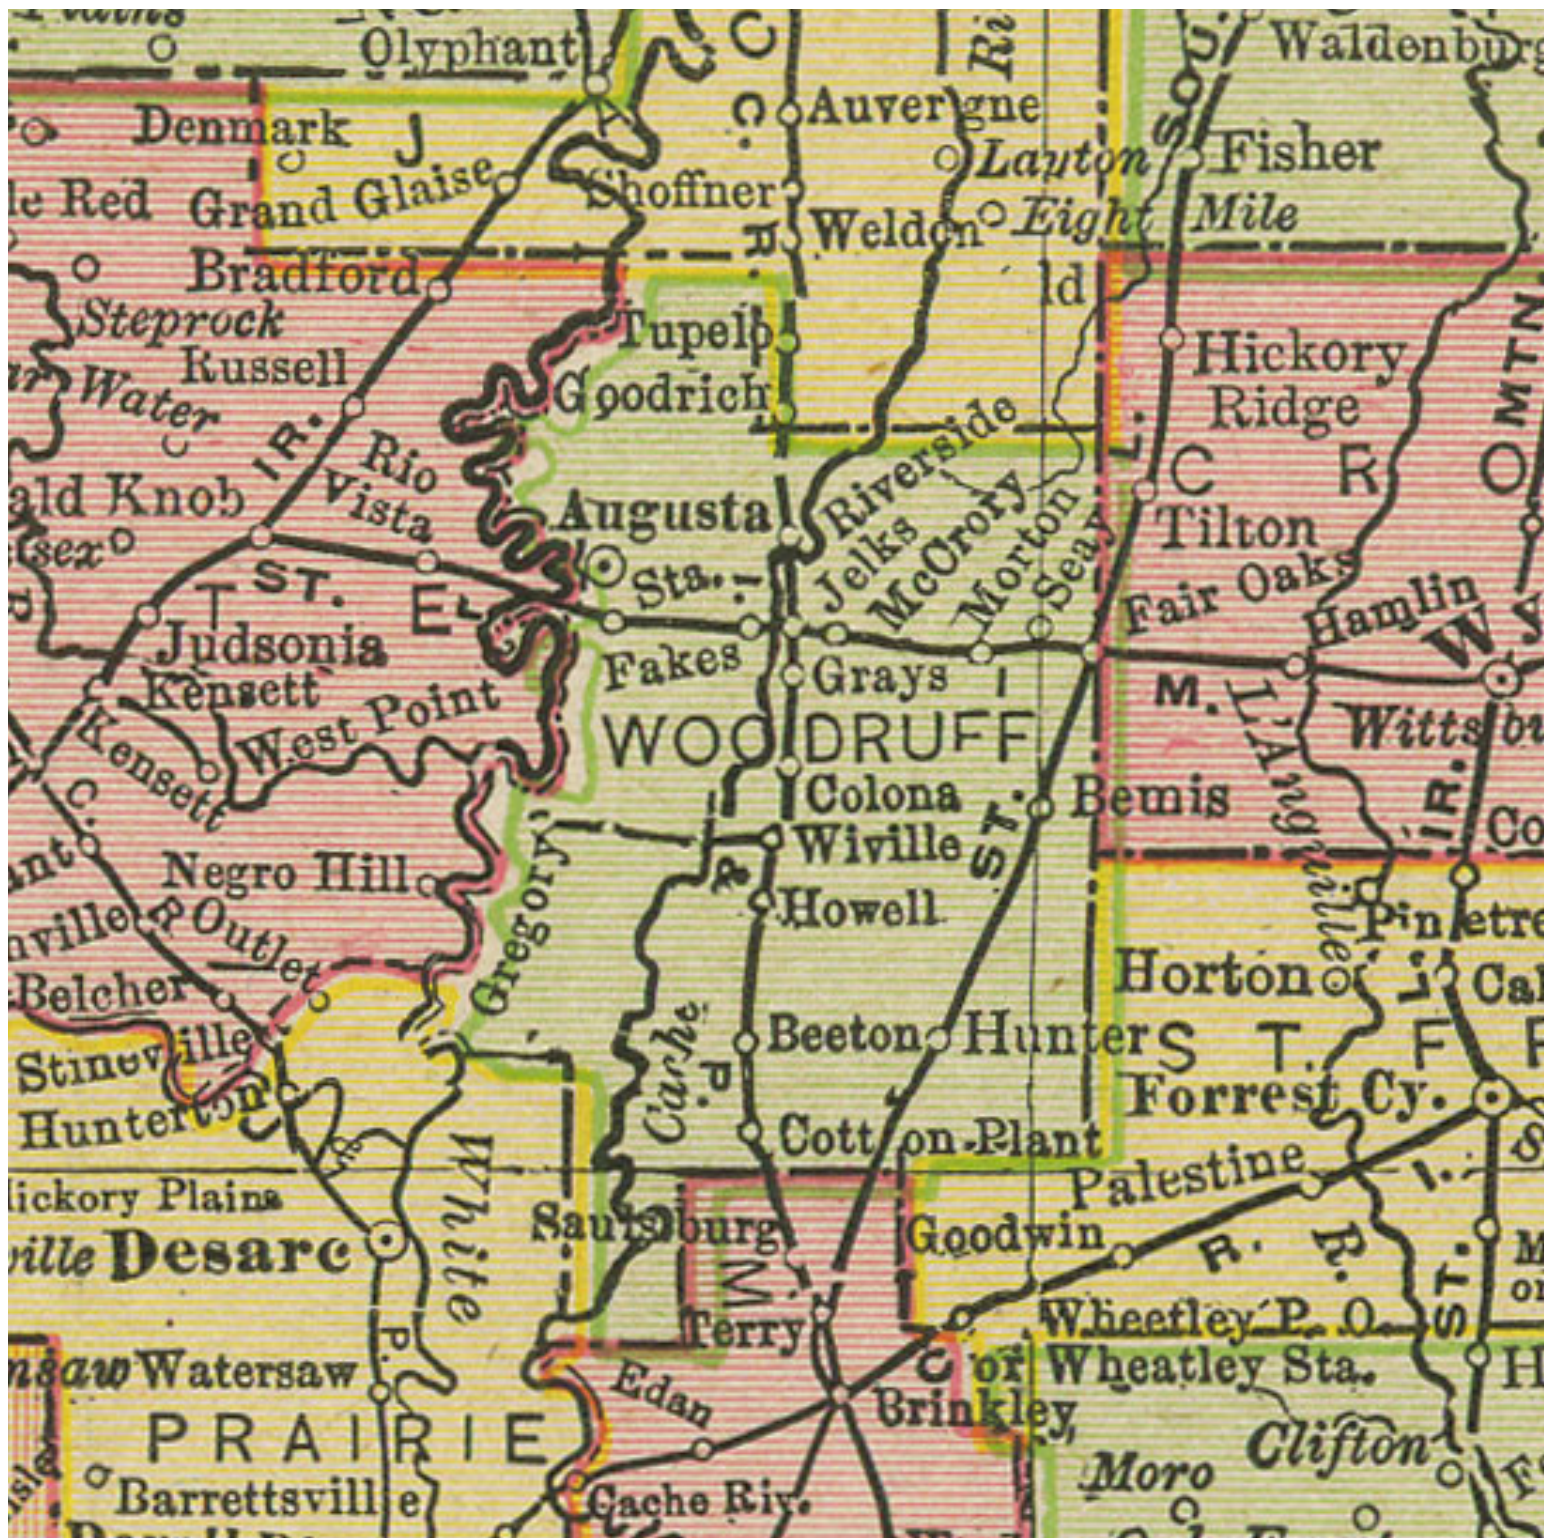

Portion of a rare 1855 Arkansas map  
by J. H. Colton & Co., New York.

This is a more detailed view of the map  
on the previous page. Very few settlements  
are shown in the area that would become  
Woodruff County in 1862.

This is a map of the Northeast Arkansas region in 1895 from Rand, McNally & Co.
