Madam:

I advise you from the Revolutionary War records of this bureau it appears that Edward Box enlisted "at Needy River, Laurens County, South Carolina", date not given, and served three years as private in Captain Robert Manfield's Company, Colonel Worton's South Carolina Regiment.

He was placed on the pension roll January 2, 1834, while living in Perry County, Tennessee.

In May, 1855, he was a resident of Decatur County, Tennessee, and then stated that he was about one hundred and one years of age. He died May 15, 1857.

He married March 7, 1842, Nancy, her maiden name not stated. Said Nancy Box was allowed pension on her application executed September 6, 1856, while living in Decatur County, Tennessee, aged about fifty-five years. There are no further data on file relative to his family.

Respectfully,

VINFIELD SCOTT  
Commissioner.
