I'm researching my Stephenson line and know that it connects with a Garris family.  
Here is the information that I  
have:

John Garris married an Emma (last name unknown)

They had a son: James H. Garris who married an Eliza Ann Stephenson in  
November 1872.

James and Eliza had the following children:

Joseph  
Tabithia  
Sallie  
Samuel  
Eliza

Other Garris connections:

John Wesley Garris married Amy Martin in Dec 1837.

Wade H. Garris and Sally Stephenson had the following children:

Lavinia b. 1834  
William b. 1836  
Sarah b. 1838  
Elizabeth b. 1840  
Harriett b. 1841  
Patrick b. 1842  
Wade b. 1845  
Daniel b. 1847

If any of this connects to your line I'd certainly appreciate hearing from you,  
especially for the Stephenson  
connection. Thanks for your time.
