Re: Stephenson Genealogy

Dear Jenk:

Hope this note finds you doing well. We are enjoying the warmer weather in SC now. Of course, being accountants, this time of year is always stressful, and we do not get outside as much as we would like.

I have enclosed the two booklets that we gave to all the family members who came to the Joseph Burton Stephenson Family Reunion. I said that it was 4 years ago, but it was really 6 years! I am certainly getting older...since I make events closer or further away than they were.

The cousin who did all the research for the large genealogy packet is Alan Stephenson. He has just moved to Chapel Hill NC from NYC. I will email you his information in case you want to "compare notes." He loves to do this type of research too.

My sisters and I are getting together for our annual "Stephenson Sister Sleepover" at the end of April. I will try to gather the old photos that we got from the reunion and send you a disc in May to early June. Yes, I know I am allowing extra time, but Fleta, the sister with most of the photos, is a procrastinator. I am trying to give myself enough lead time to still make my deadline!

If you ever get over this way, let me know. I would love to meet in person. If I head to CA, I will let you know.

Take care and thanks for getting our wonderful, big family up on the web!

All the best to you and yours,

Jo Stephenson Brown

Dear Family:

A few years back, some of your Stephenson relatives began talking about the fact that the only time we ever see each other is at funerals, and we did not like it. The 2004 Joseph Burton Stephenson Family Reunion was born from the desire to get to know our wonderful and talented family even better and to do it now and not at a funeral!

The Booklet you are now holding is a compilation of all the information that was sent to me for this reunion. Although I have done my best to make sure that the information is correct and all my typos have been corrected, things do occur.

If you find that you have information to fill in some of the blanks in this booklet or that your information for your immediate family changes or is wrong, please let me know. I will try to make sure that I send out any changes yearly to you. In this way, we can all know where our family is and how we are growing and changing.
